Reasons For Allowance

1. The following is an Examiner's Statement of Reasons for Allowance:

The prior art fails to teach a combination of all the claimed features as present in independent claim 1, which include a connecting member of each of the two angle adjusting devices has a bifurcated first end formed with a longitudinally extended insertion slot and a transversely extended circular pivot hole communicating with the member is formed with a insertion slot, the first end of the connecting wedge-shaped flexible locking pawl and two opposite limit plates; the pivot member of each of the two angle adjusting devices is pivotally mounted in the insertion slot of the connecting member and has a first end formed with a plurality of locking grooves, so that the locking pawl of the connecting member is detachably locked in either one of the locking grooves of the pivot member.

Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably **accompany** the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
